NETWORK WORKS	L00	WORKS	Civil works, hydraulic and on the road	B	B
	L01/1	WORKS	<b>Maintenance</b> activities for primary gas pipelines (following D.M 17 april 2008), construction of minor connections <1.5KM DN $\geq$ 500 and systems for methane gas transportation at high pressure up to 75 bar.	B	A
	L01/2	WORKS	<b>Maintenance</b> and pipeline network variant activities for >1.5KM DN $\leq$ 650 primary gas pipelines (following D.M 17 april 2008), construction of minor connections and systems for methane gas transportation at high pressure up to 75 bar.	B	A
	L02/1	WORKS	<b>Construction</b> of primary gas pipelines > 5 Km DN $\leq$ 300 mm and systems for methane gas transportation (following D.M 17 april 2008) at high pressure up to 75 bar.	A	A
	L02/2	WORKS	<b>Construction</b> of primary gas pipelines > 10 Km 350 mm $\leq$ DN $\leq$ 650 mm and systems for methane gas transportation (following D.M 17 april 2008) at high pressure up to 75 bar.	A	A
	L03	WORKS	electrical works, cathodic protection and electro - installation and maintenance	B	A
	L04	WORKS	Works for construction and maintenance of reduction plants, adjustment, thermal and gas measurement	B	A
	L05	WORKS	Emergency service on natural gas transportation network	A	A
	L06	WORKS	Works for third parties	A	A
